Cedar City, UT 84720

Greetings,

We received an invoice from Mark Dotson, Breccia Development, Inc. for the completed restoration work on the Red Hill #1 project, ID S/001/028 and we have paid Breccia. I would appreciate it if you would expedite the process on our clearance, and release us from our obligations since we have terminated the lease on the property.

Sincerely,

  
Gary Mullard  
President
